## Historical Background

The enterprise was founded in 1958 as a part of the Trepca complex. In 1974, the current enterprise was split from Trepca and became "Extra". The enterprise is located in the municipality of Vushtrri/Vucitrn, on the north-south road transport corridor in Kosovo at a distance of 30 km of Prishtinë/Priština. This paint and lacquer plant produced:

- Synthetic polishes, anticorrosive paints, oil paints etc
- Paints in liquid or powder form, glue for ceramics, etc.
- Paint thinner, paint for roads, for vehicles etc.

## Extra Paint Factory Highlights

- The company is in a good location by the main road
- The company is the only one of its kind in the region
- There is an important Kosovo-wide demand for paint and lacquer
- All except one building are of solid and attractive appearance

## Operations

The installed capacity at the facility was 7.000 tons per annum. The current potential capacity production is 4.500 tons per annum for polishes and paints. Maximum output achieved is 2.500 tons per annum.

The factory is not capable of producing their own raw materials as this was burnt, the working equipment and the produced goods were damaged and taken during the conflict.

## Products and Services

Paint and Lacquer

## Historical Markets

Ex-Yugoslavia

## Current Markets

Kosovo

## Other Remarks

The company ceased production in January 2002
